240 FPS No Phase Issues! Fast Display & Record

| Order #          | Description                              |
|------------------|--|
| MID-8-240-250    | 8 inputs, 250 GB HDD, P3.0, 512 MB DDR2  |
| MID-16-240-500   | 16 inputs, 500 GB HDD, P3.0, 1 GB DDR2   |
| MID-24-240-750   | 24 inputs, 750 GB HDD, P3.0, 1 GB DDR2   |
| MID-32-240-1000* | 32 inputs, 1,000 GB HDD, P3.0, 1 GB DDR2 |

\* May use 2 x 120 fps cards

120 FPS Includes real time switched RCA output via NTSC output on DVR card

| Order #        | Description                                |
|----------------|--|
| MID-4-120-250  | 4 inputs, 250 GB HDD, P4 3.0, 512 MB DDR2  |
| MID-8-120-250  | 8 inputs, 250 GB HDD, P4 3.0, 512 MB DDR2  |
| MID-16-120-400 | 16 inputs, 400 GB HDD, P4 3.0, 512 MB DDR2 |

60 FPS Includes real time switched RCA output via NTSC output on DVR card

| Order #      | Description                              |
|--------------|--|
| MID-8-60-250 | 8 inputs, 250 GB HDD, P4 3.0, 512 MB DDR |

30 FPS Basic 4 Input 30 fps DVR, expandable

| Order #      | Description                              |
|--------------|--|
| MID-4-30-120 | 4 inputs, 120 GB HDD, P4 3.0, 512 MB DDR |

Hard Drive Sizes  
(maximum 4 physical drives per MID)

|   |            |              |
|---|------------|--------------|
| If Standard size not desired, decide total GB required and combine drives to get to total | 120 GB HDD | Seagate SATA |
|   | 250 GB HDD |              |
|   | 300 GB HDD |              |
|   | 400 GB HDD |              |
|   | 500 GB HDD |              |

ex., MID-4-120-370  
add 1 x 120 GB to standard MID-4-120-250 system

Options (add to end of order #)

| Order # | Description                     |
|---------|---------------------------------|
| -M      | V9X Modem for dial up access    |
| -V2     | 2nd VGA output via display card |

Accessories (order separately)

| Order #      | Description  |
|--------------|--|
| TS-Contact   | 4 input serial port alarm input interface board          |
| TS-ContactIO | 4 input/4 output serial port alarm input interface board |
| TS-PTZINT    | PTZ RS485 Serial interface adapter                       |
| TS-17LCD     | 17" LCD Monitor Acer 1716B                               |
| TS-17PM      | Pole Mount for 17" LCD monitors                          |
